HOUSE OF TOO MUCH TROUBLE.

In the House of Too Much Trouble Lived a lonely little boy;
He was eager for a playmate,
He was hungry for a toy,
But 'twas always too much bother,
Too much dirt and too much noise,
For the House of Too Much Trouble Wasn't meant for little boys.

And sometimes the little fellow Left a book upon the floor,
Or forgot and laughed too loudly,
Or he failed to close the door,
In the House of Too Much Trouble Things must be precise and trim—
In the House of Too Much Trouble There was little room for him.

He must never scatter playthings,
He must never romp and play;
Every room must be in order
And kept quiet all the day.
He had never had companions,
He had never had a pet—
In the House of Too Much Trouble It is trim and quiet yet.

Every room is set in order—
Every book is in its place,
And the lonely little fellow Wears a smile upon his face.
In the House of Too Much Trouble He is silent and at rest,
In the House of Too Much Trouble With a lily on his breast.

MAYSVILLE'S FAIR.

It Promises to Eclipse Any Previous One Ever Held on Grounds.

The Board of Directors of the Mason County Fair, at a meeting held Saturday, arranged all matters preliminary to the Fair, which will be held four days, August 8th, 9th, 10th, 11th.

The price of admission is 50 cents for adults and 25 cents for children. The first day women and children will be admitted free.

The management is about to close a contract with Dr. Carver and his peerless aggregation of trained animals, which exhibition will be the star attraction for each day, interspersing the rings and races and giving visitors an opportunity to witness the greatest feats of sensational acts ever presented in these parts. Diving elks, diving horses, riderless wonders, 5 horses left loose to pace and trot mile heats. No fake, but a bona fide trial of speed. Dr. Carver is the most accurate shot with rifle known to the world. The attraction costs a big sum, but the managers of our Fair are determined to give a great show and to leave nothing undone which can give the public much more than it pays for. Honest and fair dealing; no flaunting of advertised imaginations, but a true statement of events which will be seen each day at the Fair.

The program is now in the hands of the Secretary-Treasurer, and the representative soliciting advertisements will call on our merchants this week. The prices for ads. are just enough to cover expense of publishing and distributing so all may feel and interest and take space. About 3,500 will be printed and issued as soon as the press can produce them.

Few cities can boast of an orchestra as up-to-date and generally popular as that enjoyed by Maysvillians. Few orchestras have a more competent leader and delightful pianist than the one the citizens of this town applaud, and to whom something more than applause is due. Tuesday evening, June 19th, the people are to have the opportunity of showing their appreciation by attending the benefit concert for Miss Berry and Prof. Bullett. The program will be made up of selections for the full orchestra, as well as solos for its different members. Miss Berry's long work in the musical growth of the town, her accommodations to her friends, deserve to bring out a goodly number of our people on the evening before named. Encourage an organization that means so much to all other entertainments by being one of the large audience that should greet them on the evening of the 19th at the Christian Church. Admission 25 cents.

Does It Pay To Run Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boecher's German Syrup." It not only heats and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Peacor.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Peacor.
